Since 1963, Dasco Data Products has been designing, engineering and producing the highest quality products that are available in the **Media & Systems** storage market. Our product line has exceeded the expectations of our clients time and time again. Dasco is well known in the international market as a "solutions provider" who is committed to providing innovation, quality and superior customer service to every client, every day.

No project is too large or too small, our engineering and design teams are up to any challenge. With close to **40 years** of experience, let us help you with your solution. Whether it is a custom or standard solution, DDP is committed to providing you with exactly what you want with the quality that you expect. Not only do we put the DDP name on our products as a sign of quality, we also back all DDP manufactured product with a **10 YEAR WARRANTY**.

Inside this latest DDP catalog you will see some of our new product developments. Many of the new products have evolved from **"you"** our customers. Many custom solutions are tailored to companies who share the same situations or problems. At DDP we recognize that our customers know their business better than anyone, so we take your knowledge and our expertise to come up with the best possible solutions.

Multi-Media Storage Cabinets

The **DDP Multi-Media Cabinets** have been the quality standard in the industry for more than 25 years. No other cabinet can boast the **quality, durability, warranty or versatility** of the DDP Multi-Media Cabinet. The unique ALL STEEL bi-parting door, glides with ease on our special **"aircraft cable track system"**. The cable system is guaranteed not to break, fray, rust or corrode for the life of the cabinet. Other features of DDP Multi-Media cabinets include, 1/2" increment adjustment for all components, **heavy gauge steel** construction, lock & keys and powder coat paint finish for durability and great looks.

51"   60"   64"   72"   83"

Multi-Media Storage Cabinets

All cabinets below are 36" wide x 22" deep and available in 5 standard heights.

Component Options: See pages 7, 8 & 9 for your interior components such as Multi-Media roll-out shelves, filing drawers, shelves, laptop inserts and much more. ALL components are pre-installed exactly where you want them BEFORE your cabinet is shipped. See specification guide for your set-up template.

Beige Santex

Multi-Media "Designer Series"

Dasco Data Products announces the **"DESIGNER SERIES" Multi-Media Cabinets**. Available as an option to any size Multi-Media Cabinet, our "DESIGNER" laminates take them one step further. Yes, the doors remain ALL STEEL. The Designer Laminates are installed directly to the metal louvered door in a patent process that gives a "real wood" appearance. FOUR standard designer laminates allow you to use various combinations to match your décor. SEE PAGES 7,8,9 for internal components to further customize your cabinet.

Designer Laminate Finishes for use with BLACK shell.

STERLING
(Brushed Aluminum)

DESIGNER OAK

GRANITE

MAHOGANY

Many other laminate finishes available for use with any of the three shell colors (upcharge may apply). Contact DDP for further details.

CREDENZA Cabinet
DDP #050-00749   Internal Height: 23"
OD. 32"H x 36"W x 22"D

We have taken our Multi-Media Cabinet and designed a "CREDENZA" height for high profile, executive or showroom offices. This 32" high version allows you to customize your CREDENZA to be much more than a filing cabinet. All the components available in our Multi-Media line are available for the CREDENZA Series, see page 7, 8 & 9.

With most credenza's filing is your ONLY option. With the new Multi-Media CREDENZA Cabinet you can create what you want in a credenza. CD drawers, file drawers or even Laptop drawers can be installed to give you a custom cabinet that works for you. All components are pre-installed to your specification so there is nothing to assemble & nothing to put together.

Optional Laminate Tops to match are available in single or double widths.

Laminate Top- Single
DDP #038-23633
1"H x 37.5"W x 23"D

Laminate Top- Double
DDP #038-27200
1"H x 73.5"W x 23"D

Multi-Media Components

Multi-Media Roll-out Shelf
DDP #050-00706   (I.D. 32.5"W x 14.625"D x 2.5"H)
Each drawer comes complete with (8) front to back dividers and (9) compressor/flip dividers. Using the DDP **"star slot"** system, you can easily customize your drawer for your application. Divide your drawer to store one or several media types by simply adjusting the dividers. Drawers are complete with heavy duty, easy glide suspension arms for many years of service. For other media capacities not listed below please call DDP.

Capacity per drawer using one type of media:

Media	Capacity	Space Required per drawer
DLT/SDLT	72	5"
LTO	86	5"
4MM/DDS	207	3"
8MM	102	3.5"
3480/3490	84	5.5"
3570 Magstar	115	3"
CD/DVD	150	6"
VHS	44	5.5"

Plain Roll-out Shelf
DDP #050-00702   Space requirement: various
A strong versatile roll-out shelf to store just about anything. Laptops, storage trays, media boxes, parts etc... With a 125 lb capacity there is very little you can't put on this shelf.
CD/DVD Roll-out Shelf (in jewel case)
DDP #050-00725   Space requirement: 6.0"
(32.5"W x 14.625"D x 2.5"H)
120 CD's or DVD's sit in their own slot on a slight angle to allow for finger flip filing. Each drawer comes complete with a CD/DVD insert that is removable and heavy duty, easy glide suspension arms.

Filing Bin Drawer
DDP #050-00704   Space requirement: 11.0"
(32.5"W x 16.125"D x 9.5"H)
Our bin drawer allows filing of letter and legal hanging folders. With the use of floating file bars, you can divide the drawer to hold letter and legal together or 2 rows of letter. File bars included.

Roll-out Filing Frame
DDP #050-00780   Space requirement: 11.0"
Legal or Letter filing is made easy with our full suspension filing frame. Comes complete with horizontal file bar.

Roll-out Reference Shelf
DDP #050-00726   Space requirement: 2.5"
A reference shelf is the perfect option when access to your cabinet is frequent. Whether you are retrieving files or cartridges, a reference shelf is convenient to open and use as a work surface to hold files or to write on.

7

Media Bars
Media Bars accommodate specifically designed removable Pacs for 3480/3490/3590, 4mm, 8mm, DLT/TK's, 3570 & VHS tapes. Easy & fast retrieval design allows an operator to simply open the cabinet in one motion, remove one cartridge or Pac of cartridges easily and then close the steel tambour door to secure the rest of your valuable media. Each Media Bar holds 3 Pacs across. Simply multiply the capacity of the media pac you want by 3 and that will give you the total of cartridges that will go on each bar (row). Note: If you require Media Bars for 3480/3490/3590 Pacs, you must order 2 bars for the first row then 1 bar for each additional row.
All Pacs sold separately.

Media Pacs
(3480/3490/3590 Pac, 20 Cap. #134-00915) (8mm Pac, 10 Cap. #134-00930) (4mm Pac, 10 Cap. #134-00935) (3570 Pac, 12 Cap. or single magazine of 10, #134-00970) (DLT & VHS Pac, 7 Cap. #134-00990)

Mail Sorter Insert
DDP #050-09065   Space requirement: 13.5"
The mail sorter option allows you to sort and divide mail into (9) slots with one component. Each mail sort comes with 6 adjustable shelves and label holders for each compartment.

Laptop/Notebook Secure 3-Compartment
DDP #050-00740   Space requirement: 5.0"
Each Laptop compartment securely stores (3) laptops/notebooks. Shown here are four compartment units stacked together for a total of (12) individual compartments. Each individual compartment comes complete with its own private lock and keys and a label holder built in. Each individual compartment measures: 10.25"W x 12.75"D x 4.5"H.

Laptop/Notebook Secure Roll-out Drawer
DDP #050-00748 (Non-Powered)   **Space requirement:** 6.0"
Our **"NEW"** security drawer holds TWO laptops in separate chambers and has room for power packs and other accessories. Private lock & keys for each chamber are included.
ALSO AVAILABLE as a **POWERED UNIT, see page #11**.
Interior Storage space for each chamber: 15.5"W x 14"D x 4"H(back) 3"H(front)

8

Multi-Media Components

Plain Shelf
DDP #050-00701

Back Plate & (5)Divider set
DDP #050-00713

The plain shelf allows you to store ring binders, end tab file folders or anything else that requires a shelf. The optional back plate & 5 divider set (050-00713) to go with the plain shelf gives you the perfect file shelf. Dividers are adjustable in 1/2" increments.

Space requirement:

3-Ring Binders	13.5"
End Tab Ltr/Lgl	11.0"

Library Shelf c/w plain shelf
DDP #050-00727   Space requirement: 12.5"

This unique option allows you to DISPLAY your catalogues, literature, flyers etc. When the library shelf is lifted you can retrieve your neatly stored printed materials from the storage shelf behind. The library shelf is installed on a 30 degree angle to display your materials properly.

Security Locking Bar
DDP #050-00729

The security locking bar allows you the option to add a padlock to your Multi-Media cabinets. When you add a security locking bar you make the cabinet **dual access** as well. When the key lock (standard on all cabinets) and pad lock are engaged it requires TWO separate keys to open your cabinet. Color matched to the cabinet. (Padlock not included)

Caster Base
DDP #050-00714

Turning your Multi-Media Cabinet into a mobile unit can be done at any time. The height of your cabinet will increase by 5" overall. All four casters are heavy duty (2 fixed with locks/2 swivel). For safety, DDP recommends that you DO NOT put a cabinet over the height of **64"** on a caster base.

Multi-Media Racks & Cart

Multi-Media Racks

DDP Multi-Media Racks are available in **TWO** heights, **54"** & **84"** and **Single** or **Double** sided. Each Multi-Media shelf (#048-00115) is adjustable in 1" increments and comes with 2 adjustable dividers. DDP Multi-Media Racks are 32.5" wide. When adding on to the left or right a common post is used. Standard Color: BLACK
Optional Color: BEIGE

54" & 84" Components

#048-00101	54" Single sided post
#048-00103	54" Double sided post
#048-00100	84" Single sided post
#048-00102	84" Double sided post
#048-00145	Joiner bars 32"set of (2)

*ONE set of Joiner bars MUST be ordered for each 32.5" section.

#048-00115	Multi-Media Shelf 32" c/w (2)dividers. 4"H x 32"W x 5"D
#048-00155	Additional shelf dividers

Media	Capacity per Multi Media Shelf	Space Required
DLT/SDLT (in case)	25	6"
LTO (in case)	28	6"
CD/DVD (jewel case)	78	7"
4MM	52	5"
8MM	40	5"
3570 Magstar	51	5"
VHS (sleeve or case)	30	9"
Optical 5.25"	45	7"
3480/3490	32	6"

Multi-Media Mobile Cart

DDP #050-48000

The DDP Mobile Cart comes complete with a total of (8) Media shelves and (16) Dividers. Manufactured with quality and durability in mind the DDP Media Cart comes complete with heavy duty casters and corner bumpers. The Multi-Media shelves are adjustable in 1" increments. The capacities per shelf are the same as the above multi-media shelves (#048-00115). 45"H x 33.5"W x 30.5"H

Standard Color:
BLACK

Secure Laptop/Notebook Cabinet

Secure Laptop/Notebook Cabinets - Fully Powered

DDP has specifically designed a fully powered cabinet to house up to (18) laptops/notebooks with internal power bars for charging. Laptop theft is on the rise in North America and the value of the computer is not what it costs but what it costs to replace. The Secure Laptop Cabinet takes you to a new level in protecting what you need to protect.........your information. Cabinets come complete with an ALL STEEL tambour door, lock and keys and power bar. For extra protection you can add a security locking bar (#050-00729) that can accept a padlock. Each secure drawer has (2) private chambers that have separate lock #'s and keys. Each chamber also has its on power outlet and room for the power pack and accessories. Also as an option we offer a Bin Drawer (#050-00704) that can be used for laptop bags, spare parts etc...

Cabinet Dimensions
DDP #050-00765 (powered)
O.D. 64.5"H x 36"W x 23.5"D
Internal height usable (54.5")

Laptop Locker & CPU Enclosure

Desk Mounted Laptop Locker
DDP #050-00170   O.D. 16.5"W x 6.125"H x 15"D

Our "new" **Laptop Locker** is the answer for those of you who are concerned about your laptop security at your own desk. These lockers are mountable horizontally or vertically on any work station. Each unit comes complete with lock, keys, full swing hinged door, hardware, accessory shelf and grommet hole for your power pack cable. Standard Colors: BLACK & GREY.
"Security Guard"

Stolen computer hardware is a huge loss of time, effort and money for everybody. Unfortunately with computer thefts increasing we are all forced to think about it and do something to protect our equipment. Introducing the 24 hour **Security Guard** by **DDP**. Manufactured with heavy gauge steel (14 gauge) and equipped with removable door panel, lock and (2) SONIC sirens- **130db**.

The **Security Guard** has a built in motion detector that is connected to the internal sirens. When any of the units are tampered with the sirens are engaged and cannot be turned off from the exterior of the unit. The only person that has control over the sirens is the person with the keys to the Security Guard. Don't be re-active be pro-active, with the **Security Guard**.

Enterprise Series LAN/Network Enclosures

Computer networking environments have extremely demanding specifications and criteria to meet. The racking and management of hardware is becoming ever more critical each day and requires attention to versatility and accessibility. The correct housing of valuable and mission critical equipment is one of the steps to ensure a smooth operation of services.
With this in mind DDP has developed the ENTERPRISE Series of enclosures. Designed to meet and surpass expectations of our customers and their equipment, the ENTERPRISE Series is FLEXIBLE, VERSATILE and built TOUGH (16 gauge steel). Universal doors, quick release side panels, horizontal & vertical wire management and various rail combinations are just the beginning of the ENTERPRISE. Rails can be simply adjusted to accommodate IBM, HP, DELL, COMPAQ, SUN or DEC hardware. Below we have listed the top FOUR sizes of enclosures in the ENTERPRISE Series, other sizes and options are available. Please call DDP for further information.
