

GoCart®

Mobile Media Cart

Professional Media Storage Systems

A true mobile with 4 wheels, 2 brakes, & padded steering bar. People-powered.

Transport media conveniently. Save time and labor, use the adjustable backstop to register all media to the front edge of the shelf for quicker visual and physical access.

Jumbo capacity ... and, mondo flexibility. 7.5" deep shelves, easily store the complete range of media popular formats.

Euro-style dual-wheel casters "swivel" (in the front) and "swivel and brake" (in the back). Huge 5" diameter wheels roll easily over carpeted and hard floors. Corner-bumpers protect **GoCart** and walls from errant drivers.

Each **GoCart** includes 6 shelves (adjustable in 1/2" increments), 6 adjustable backstops, and 6 infinitely adjustable Slide-N-Lock bookends.

Top surface is surrounded by 1 1/8" high retaining wall and covered with non-skid material.

Mobile Media Cart—Price List

Professional Media Storage Systems

If routinely transporting small media formats, additional shelves, backstops & Slide-N-Lock bookends may be used to increase capacity. See reference chart below for the total number of shelves recommended if **GoCart** is used as a "media-specific" transporter (vs. "mixed-media" transporter).

INTERIOR DIMENSIONS
37.75" W x 31" H

EXTERIOR DIMENSIONS
43.25" W x 44" H x 16" D
